

Key West Express

Looking for a way to beat the winter blues? Party the way the Down Islanders do! All you need is a cold Landshark Lager, a bit of lime and a whole lot of Key West Express, the Tri State Area's Premier Jimmy Buffett tribute band. For the past 25 years, Key West Express has been bringing Trop Rock sounds from their home base in Erie PA to many other ports of call.

As the host band for the annual Key West Phest, KWE has shared the stage with the Peter Mayer Group, Club Trini, as well as National recording acts such as The Pat McGee Band and Josh Gracin. Key West Express has also been joined on stage by such Parrot Head favorites as Sunny Jim White, Greg 'Fingers' Taylor, and Jeff Pike, a founding member of A1A, the ORIGINAL Jimmy Buffett Tribute Band.

In 2006, Key West Express opened on a side stage for Jimmy Buffett at the Post Gazette Amphitheater..
